SLP Slip-On Silencer for Polaris 800 RZR/S/4/XC Part #09-106

Kit Contents:

- 1 - Silencer
- 1 - Grafoil Seal (P.N. 090-628)

Installation Instructions

1. Remove cross tube that connects the exhaust system to the silencer. Retain all springs for silencer installation.
2. Remove stock silencer by pulling it to the rear (to disengage the silencer fingers from the stock rubber mounts). Push silencer towards air box so silencer outlet is pointing toward passenger side and work it out of the passenger side of RZR.
3. Carefully install the supplied grafoil seal into the SLP Silencer.
4. Repeat step 2 in reverse order then reinstall stock cross tube and check for leaks.

NOTE: This silencer is not U.S. Forest Service Approved. It is equipped with a spark arrestor for you to use at your own discretion.
